<i>Varieties</i>	<i>ABV</i>	<i>Oak</i>	<i>Capsule Type</i>
Pinot Noir	12%	No	Cork

Background

Established in 1935, Champagne Fluteau is one of the oldest family owned and operated wineries in the Aube region of Champagne. The estate is now run by Thierry and Jennifer Fluteau, representing the fourth generation of the family, together with their son, Jeremy. Their aim is to make premium, hand-crafted champagnes that reflect the unique soils and climate of their property. Emphasis is placed on quality, combining the traditional knowledge inherited from their ancestors with modern techniques, and an unwavering commitment to the pursuit of excellence and sustainability, both in the vineyards and in the cellars.

Winemaking

The nine hectares of vineyards are hand-harvested in late September/early October. Careful selection of the fruit is required to ensure that only the ripest and highest quality bunches are used. Fermentation occurs in temperature-controlled stainless steel tanks before the traditional Champagne method of secondary fermentation in bottle, the wine then undergoes 3 years ageing on the lees in the bottle.

Tasting & Pairing

Pale gold in colour. Bright and fresh on the nose - tangy citrus and white peach with acacia notes. Precise acidity on the palate with wild strawberry, crunchy green apple and hints of brioche on the finish.

An elegant aperitif and a good pairing to delicate pastisserie.
