Rosado Vino de España

Code	Producer	Country	Region
MARROS	Viña Mariposa	Spain	Galicia
Varieties	ABV	Oak	Capsule Type
Garnacha, Tempranillo	11%	No	Screwcap

Background

Our Viña Mariposa wines are specially produced by one of the best cooperatives in Northern Spain. The co-operative started life as a passionate personal project more than 50 years ago. Although the scale of the company has grown, they have maintained the same family character and traditions. Situated in Galicia, they have long-standing detailed contracts with local growers at five large bodegas and purchase only the highest quality fruit. By overseeing the growing of the grapes and sourcing fruit from several different areas, they are able to choose the definitive flavour characteristics desired. The co-operative also has an extensive, state-of-the-art modern winery.

Winemaking

Only the highest quality fruit is used in order to preserve freshness of character and avoid oxidation. The grapes are fermented at low temperatures in stainless steel tanks before being cold-stabilised. Prior to bottling, the wine is filtered.

Tasting & Pairing

Bright raspberry appearance. Intense red fruit aromas; strawberries and light hints of floral notes. On the palate, the fruity characteristics of a bright Rosé appear with refreshing acidity. Persistant finish.

Great as an apertif, with light canapés
