Background

Produced in the region of Veneto, Northern Italy. A fresh, characterful Pinot Grigio bottled by the Cantina Tombacco, based near Padua, that was founded in 1919 and currently run by the third generation of the family.

Winemaking

The carefully selected grapes are crushed and the must, including the skins, undergoes a cold maceration to extract the right amount of colour from the skins of the ripe Pinot Grigio grapes. The grape must is then lightly pressed and fermented in stainless steel at a temperature of around 18°C.

Tasting & Pairing

Lightly aromatic on the nose with lifted strawberry and hints of cherry. The palate has delicate raspberry notes and a fresh limey finish.

A great aperitif, or as an accompaniment to grilled fish and light salads.
