Background

Produced in the region of Veneto, Northern Italy. A fresh, characterful Pinot Grigio bottled by the Cantina Tombacco, based near Padua, that was founded in 1919 and currently run by the third generation of the family.

Winemaking

Carefully selected grapes from the Veneto region are given a 3 day maceration. After pressing, the grape must undergoes a carefully controlled cool fermentation before being allowed to develop for three months in stainless steel tanks before being filtered and bottled.

Tasting & Pairing

Delicate citrus aromas and hints of green apple with a floral lift on the finish. The palate has lemony citrus with notes of pear and white flowers.

A great aperitif, or as an accompaniment to grilled fish and light salads.
