Background

Court Garden was established in 2005 on the south facing slopes of the South Downs. The family run estate extends to 17 acres with Pinot Noir, Chardonnay and Pinot Meunier vines. With its chalky soil and maritime climate, Sussex has become a prime sparkling winemaking region to rival those in Champagne.

Winemaking

Made using the traditional method, grapes are picked when the sugar levels are lower and acidity is higher. Grapes are pressed and undergo its first fermentation before being blended and bottled for its second fermentation. Wine is aged on the lees before riddling and disgorging. A dosage is added to balance the acidity before being released.

Tasting & Pairing

Hints of peach, pineapple, greengage and toasted nuts on the nose with an elegant mousse. Well balanced with a nice freshness and long finish.

Excellent as an aperitif on its own, or with seafood and canapes.
