Background

The former agricultural plot included old vines as part of the landscape and has been transformed by the Geromin family. Based just 17km from Saint Emilion on the clay and limestone Coubeyrac plateau, this 11 hectare property is run by two sisters, Audrey and Marion Geromin.

Winemaking & Winemaker

Fruit is picked from the 30 year old vines and vinified in stainless steel tanks. The wine spends some time in oak before being bottled.

Audrey Geromin learnt her trade at La Tour Blanche and is now lead winemaker at the estate.

Sustainability

HVE Level 3 certified, this guarantee ensures the estate abides by rules to protect the local environment for future generations to enjoy. Including resource management (fuels, water, electricity), promoting biodiversity in the vineyards and strict restrictions on herbicide usage.

Tasting & Pairing

Bright cherry red colour with gentle hints of cinammon and vanilla on the nose. Ample structure with good length and gentle tannins.

Excellent with roast beef or slow roasted aubergine dishes.

Extra Information

The estate is part of Vignerons Indépendants de France, a viticultural trade association that promotes and assists small and independant winemakers in France.
