Background

This historic Franschhoek estate was formed out of one of the original farms that was granted to the Huguenots when they settled here, and it was first planted with vines in 1797 when it passed to Paulina De Villiers. The estate nestles against the slopes of the Franschhoek Mountains, close to the Franschhoek River that the old rickety bridge used to cross. The lower flatlands are covered by sandy soils while the hillsides are made up decomposed granite, ideal for red grapes. In 2000, British businessman Duncan Spence acquired the estate and there has been extensive investment to create a modern cellar, which is currently overseen by Mari Kotze.

Winemaking

Fermentation takes place in an open tank at 24°C with two to three punch-downs daily. Malolactic fermentation takes place in 100% stainless steel tanks. Total maturation time in barrel for twelve months.

Tasting & Pairing

Red fruit forward with black and blueberry flavours in the background while the light oaking accentuates the fruit flavours. A velvety palate with well-integrated tannins which are supported by subtle smokiness leading into a lingering juicy finish.

Pairs well with dishes such as Coq au vin, roast duck or a roasted cauliflower.
