## *Background*

Produced in the region of Veneto, Northern Italy. A fruity, Vino Rosso bottled by the Cantina Tombacco, based near Padua, that was founded in 1919 and currently run by the third generation of the family.

## *Winemaking*

Healthy, well grown grapes are selected for whole grape maceration in stainless steel vats. Once fermented, juice is decanted into stainless steel tanks to preserve the freshness of the fruit. Following a triple filtration process, wine is bottled.

## *Tasting & Pairing*

Bright with violet hues, lots of redcurrant, raspberries and blackberry on the nose, fruity on the palate with a hint of spice. Good acidity and well balanced.

An easy drinking wine suitable with a range of dishes. Does particularly well with grilled sausages or roasted vegetables and cheese.
