Background

The Billard family home is situated 15km south of Beaune in a small village called La Rochepot. Jérôme Billard is the fifth generation to head the establishment and has managed the vineyards since 1999 with a continuous passion to create the best Burgundian wines. With a drive to work the vineyards using organic principles, no pesticides and natural yeasts are used in the production of their wines. As a result, the family create wines which are an expression of their individual terroirs and celebrates a more natural way of winemaking.

Winemaking

Chardonnay grapes grown on a 2.25 hectare parcel in the south-west facing La Combe Bazin vineyard- one of the best sites in Saint-Romain.
