Background

Throughout history, lands have stood witness to cycles of the river rising and falling, orchestrated by the cadence of changing seasons. The Rising River Wines are inspired by the Franschhoek River that flows through the Franschhoek Valley.

Produced as a diffusion line to the principle Rickety Bridge range, Rising River encompasses the grand history of its surroundings and celebrates grapes sourced across quality vineyards across the Western Cape with winemaking overseen by Mari Kotzé.

Winemaking

With fruit machine harvested from selected vineyards across the Western Cape, once pressed, grapes are fermented with selected yeast strains in stainless steel tanks to preserve the fruit's freshness and natural characteristics. Juice is kept on the lees for 6 months before bottling.

Tasting & Pairing

Tropical fruit aromas on the nose; pineapple and melon with a hint of lemon zest for balance. A fresh and palatable example of Sauvignon Blanc grown in this climate.

Excellent with seafood dishes or a light salad.
