Garnacha

## Producer

---

Cooperative run by passionate winemakers and growers embracing the heritage of Spanish winemaking traditions with a modern twist.

## Climate, viticulture, winemaking

---

Grapes are manually harvested before destemming, maceration and pressing. Fermentation occurs in stainless steel vats to preserve the flavour profile and freshness at controlled temperatures of 7-16°C for up to 2 months.

## Tasting Notes

---

Attractive pale rosé with red fruit aromas of raspberry and strawberry. The palate is round and fruity.

## Good to know

---

Residual Sugar: < 4g/l
