Producer

Exclusively bottled for us by the Zidela winery in Stellenbosch by experienced winemaker, Herman Nell.

Climate, viticulture, winemaking

Grapes are harvested from high quality growers in the Western Cape, before pressing and fermenting at low temperatures of between 10-15°C.

Tucana is named after a star constellation, first observed by Dutch explorers in the late 1500s as they sailed past South Africa to the East Indies.

Tasting Notes

Tropical notes of white pear and melon. Fresh, unoaked style with good acidity.

Good to know

Residual sugar 2.7g/l
