Cantina Vecchia Torre

Vermentino IGP Salento Bianco

ABV
12.50%

Code
CVTVER

Region and Country
Lecce, Italy

Capsule
Cork

Grapes
Vermentino

Producer

A very well established cooperative in Leverano, starting from 44 members in 1959 to around 1000 today. Ennio Cagnazzo leads the winemaking team.

Climate, viticulture, winemaking

Vines thrive in a mix of sand, silt and clay with calcareous zones. Vines are grown using the sapling and spurred cordon technique.

During the maceration and pre-fermentation processes, the must temperature is reduces to 4°c, for 12 hours - allowing gentle fruit aromas to be extracted without releasing any bitterness from the seed. Fermentation occurs in stainless steel tanks.

Tasting Notes

Notes of citrus and sage with a gentle minerality.

Good to know

Vegetarian and vegan friendly.
