Code

VINBRU

Region and Country

Mendoza, Argentina

Grapes

50% Chardonnay, 50% Chenin Blanc

Producer

The Viniterra winery was founded in 1997 by leading oenologist Adriano Senetiner.

Climate, viticulture, winemaking

Made with grapes from vines with an average age of 32 years, located in Luján de Cuyo and Valle de Uco, Mendoza.

Harvested in January to preserve the fruits naturally high acidity before gentle pressing followed by temperature controlled fermentation. Using the Charmat method, secondary fermentation occurs in stainless steel tanks with over 3 months of ageing on the lees and periodic battonage before being bottled.

Tasting Notes

A delicate mousse of fine bubbles with green apple and citrus aromas, elegantly layered with notes of toasted brioche. The Chenin brings crisp acidity, while the Chardonnay supports with a creamy texture. Refreshing and sophisticated on the palate.

Good to know

Vegetarian and vegan friendly.
